

WEBSITE LINKING POLICY

INTRODUCTION

In 2001, the Board's management team approved the following policy for determine which [websites](#) the Board would provide links to:

The Alberta Labour Relations Board website endeavors to provide the public with information about the application and interpretation of Alberta's labour laws. The Board provides links to the websites of:

- parallel organizations (e.g., other labour relations boards);
- related government departments and agencies (e.g., Employment Standards); and
- non-partisan agencies and groups engaged in labour education.

The Board reserves the right to refuse, remove or add any link.
